

In Memory of Matt & Erica Rawley

It is with great misfortune that TEVET is mourning the death of a long time friend and employee, Matt Rawley and his wife Erica Rawley who passed away unexpectedly on February 8, 2010.

Matt worked for TEVET as an Account Manager at Alcatel-Lucent, where TEVET currently holds an Asset Management contract.

Matt and Erica are survived by their 10 year old son, Corbin Tyler Johnson. Family members and friends have established a TRUST on behalf of Corbin and we ask, if you have the financial means, to donate toward ***Corbin's journey of growing up to be like his step-father and hero, Matt Rawley.***

In advance we graciously thank you for your prayers and support.

Sincerely,

The TEVET Team
